PUBLIC NOTICE

REVIEW OF ANNUAL SUBSCRIPTION FEES

The Architects Registration Council of Nigeria (ARCON) hereby notifies all registered architects and architectural firms that the **14th Council**, at its **7th Meeting held on Tuesday, 27th January 2026**, approved the review of the **annual subscription fees** payable by individuals and firms.

Accordingly, the **individual annual subscription fee** has been reviewed from **₦30,000 to ₦50,000**, while the **firm annual subscription fee** has been reviewed from **₦100,000 to ₦150,000**, with effect from **1st January 2026**.

This adjustment is necessitated by prevailing economic realities, including the rising cost of regulatory operations, increased overheads and personnel-related obligations, and the need to strengthen the Council's capacity to effectively discharge its statutory mandate in the interest of the profession and the public. The Council appreciates the continued cooperation and understanding of members of the profession as it works to sustain high standards of regulation and service delivery.

Kindly be guided accordingly.
